BEAUFORT, SOUTH CAROLINA 29907  
PHONE: 843-525-7692 FAX: 843-525-7689

BRUCE KLINE, CHIEF

DAVID C. TOWNSEND, CHAIRMAN

On behalf of the Commissioners and Firefighters of the Lady's Island-St. Helena Fire District, I welcome you to our web page. I hope you find this information educational, and useful. Please e-mail or call if you have any questions or if I can assist you in any way.

The Lady's Island-St. Helena Fire District serves and protects the areas between the City of Beaufort and Fripp Island. Our coverage area is over 140 square miles and we protect a population of approximately 35,000 permanent residents. During the summer months with rental and vacation homes our population increases considerably. Since the year of 2000, our District has seen over 900 new building permits issued.

We operate out of five stations that protect a primarily residential community, some areas densely populated and others very rural. We serve seven schools, large farmland, shopping centers, and numerous small businesses throughout. Geographically we are made up of two large islands and many small islands. We also protect the busiest State park in SC, which has an average of over one-million visitors a year.

Our District is staffed with twenty dedicated firefighters per shift, working 24 hours on duty and 48 hours off. We pride ourselves on customer service, and loyalty to the residents, businesses and visitors of our community. We work daily to enhance our abilities and provide the highest level of service possible.

We are committed to your safety and hope you will use this web site to help us help you.

Thank you for taking the time to learn more about our District. If you live in the area please stop by and meet your fire professionals, if not we welcome you to stop by and talk to our firefighters, and enjoy the firehouse hospitality.

Sincerely,  
Bruce A. Kline  
Fire Chief
